

## CITY OF MARQUETTE 2016 FALL YARD WASTE & BRUSH COLLECTION

Properties paying the “Garbage/Yard Waste” fee on their monthly utility bills (green bag users) are eligible to dispose of yard waste through this collection. Owners and tenants of properties not paying the fee should contact their regular waste hauler for service. This service is supported by **fees, not taxes**. All residents are asked to observe the following rules to provide for a safe, efficient cleanup.

1. These collections are for brush, leaves, grass clippings and garden debris only. **NO** rubbish is allowed. All collected material will be composted. Material is not to be placed more than one week prior to pick up date. Material **MUST** be placed curbside prior to 7:00 a.m. of the scheduled pick up date.
2. Pile yard waste on the lawn next to the street edge, **NOT** in the gutter or on street pavement. Keep yard waste in front of your own property. Do **NOT** pile on vacant adjacent properties. Motorists are asked to avoid parking in positions that block access to leaf piles.
3. Brush will be collected October 24 – October 28. The volume from each property is limited to one pickup load, a pile approx. 12’L x 6’W x 5’H.
4. Crews will collect loose or bagged leaves October 31 – November 4. Crews will return to the same routes November 7 – November 11 and collect **ONLY BAGGED LEAVES**. All debris placed curbside after the first collection date must be bagged. Do not use City green bags for yard waste. Bags containing garbage or other rubbish mixed with the yard waste will not be collected.
5. The City will not collect material after the last date listed below for each route. Residents are asked to deliver it to the composting site on Lakeshore Blvd, one block south of Hawley Street. The site is open on Mondays and Wednesdays from 3:00 pm – 7:00 pm and on Saturdays from 9:00 am – 4:00 pm. The site closes in November for the season, weather permitting. Notification of the exact date will be sent out via public service announcement. Any yard waste will be accepted but brush will be limited to one pickup load per day. Proof of garbage fee payment is required for admittance.
