### **Water, Government & Local Partnership Forum:**

On Friday, April 13, from 3:00-5:00 p.m. there will be a forum held at Northern Michigan University (Jamrich Hall Room 105) on sustainable living, sponsored by the Association of Students at Northern Michigan University (ASNMU). There will be representatives from the City of Marquette, Marquette Brownfield Redevelopment Authority, and the Superior Watershed Partnership present to answer questions involving sustainable environmental efforts related to wetlands, watersheds, low-impact waste management, recycling, conservation, other important ecological issues impacting all members of the Marquette community, along with information about how citizens can get involved. This event is free and open to all.
