CHANGE YOUR CLOCK, CHANGE YOUR BATTERY

The City of Marquette Fire Department would like to remind City residents to **“Change Your Clock, Change Your Battery”** as we adjust to Eastern Daylight time on November 4, 2012. Our annual campaign is to remind residents that battery replacement in their smoke detectors is part of a sound home safety strategy. This year, Energizer Battery has donated three cases of 9 volt batteries for use during this promotion. Working smoke detectors double your chances of surviving a house fire. Telephone, or stop by the Marquette Fire Department on Third Street, for a free battery. The batteries will be given one (1) per household as long as supplies last.
