

**August 20, 2012**

**PUBLIC SERVICE ANNOUNCEMENT  
STREET DISRUPTIONS DUE TO STREET CRACK FILLING  
FOR STREET IMPROVEMENTS**

Beginning Monday, August 20, 2012, various streets in the City of Marquette will experience traffic disruptions due to street crack filling by JCS, Inc.

The public is advised to be aware of all flagging and traffic control devices and to use caution when traveling through these areas. The contractor will be starting at the north end of the City of Marquette and working their way towards the south. Areas that have high traffic volumes such as Washington Street may have this process done during the evening hours.

It is anticipated that all these areas will be completed by Friday, August 24, 2012. A map has been attached showing the streets that will receive this improvement.
