To celebrate hockey in Marquette, teams, businesses, organizations, families and residents will have the opportunity to create their own dream skate by decorating a wooden rendition of the hockey skate. The public art project, featuring embellished silhouettes of hockey skates, will be displayed on the light poles in Marquette's downtown from September 24 through October 8.

The wooden skates measure approximately 30" wide by 24" high. Those interested in decorating a skate for themselves or to advertise an organization, business or team can pick up a silhouette at Perani's Hockey World (1212 N. Third Street) anytime during regular business hours Monday through Friday 10:00 a.m. - 8:00 p.m., Saturday 10:00 a.m. - 6:00 p.m. and Sunday 12:00p.m. - 5 p.m. beginning August 24. Decorated skates must be returned to Perani's Hockey World by September 19.

Skates must be decorated on both sides with exterior grade paint or other embellishments but cannot exceed nine pounds in weight. Guidelines prohibit political slogans or statements, alcohol or tobacco references, and obscene language.
