### **LOCAL IMPACTS OF POSSIBLE FEDERAL GOVERNMENT SHUTDOWN**

A federal shutdown will not affect the city's municipal operations. The city Administration continues to work with federal and state government officials and is developing strategies to mitigate unintended repercussions from a potential federal shutdown.

City leadership is aware there could be many direct and indirect consequences for city residents. The Administration remains available to support anyone who may be directly affected by a federal shutdown and will work to minimize any unintended impacts, and to find reasonable accommodation.

In the event of a shutdown, all federal, state, and local laws remain in effect, and will be enforced. For any questions or concerns, please contact the Manager's Office at 225-8102.
