

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**September 13, 2013**

For More Information:  
**Engineering Department: 228-0440**  
**Kurt Babcock, AT&T Engineering: 225-6168**

### **200 BLOCK WEST WASHINGTON TRAFFIC SHIFT**

On Tuesday, September 17, starting at 8:00 p.m., westbound traffic on West Washington Street between Third and Fourth Streets will be shifted into the parking lane in front of the old City Hall building to allow AT&T to perform work in the center of Washington Street.

Westbound traffic is expected to resume normal travel by Wednesday, September 18.
