### **THE CITY OF MARQUETTE ARTS AND CULTURE CENTER ANNOUNCES COMMUNITY ART PROJECT: *DECORATE A LAKE***

The City of Marquette Arts and Culture Center in cooperation with the Superior Watershed Partnership and the DDA are pleased to announce a new community art project in preparation for the upcoming Great Lakes and St. Lawrence Cities conference that is scheduled for June 19-21, 2013. Families and community groups are invited to decorate plywood cut-outs in the shape of one of the five Great Lakes (Superior, Michigan, Huron, Erie and Ontario). Creativity and originality are encouraged. The only requirement is that each lake must be clearly identified in large painted letters (ex: ONTARIO). Cut-outs can be picked up at the MACC anytime after May 3 and must be returned by June 3. Community members are invited to work on their projects at the MACC on Saturday, May 4, and Saturday, May 25, during the hours of 11:00 a.m. – 5:00 p.m.
