SUMMER PROPERTY TAX BILLS

Summer tax bills totaling approximately \$30 million will be mailed to Marquette City property owners on June 28th. The due date for payment of City summer taxes was changed from August 4th to September 14th as a result of voter approval of the new City Charter in November 2012.

Tax collection begins July 1, 2013, and payments are accepted at the City Treasurer's Office without interest through September 14, 2013. Interest of 1% is added to the summer tax bill on September 15th and the 15th of every month thereafter.

The 2013 summer property tax bill represents millage levies for City, Senior Millage, Library, Schools, DDA, State Education, County Operating, and Heritage Authority.
