**The City of Marquette Arts and Culture Center announces March exhibition: *Another Hit of Fresh Air***

The City of Marquette Arts and Culture Center announces its March exhibition: *Another Hit of Fresh Air* by local artist group, Painters on the Loose. This collection of artists often paints outdoors, "en plein air." Painting outdoors allows the artists to enjoy the local landscape while providing them with a rich source of inspiration. This method also allows the artist to focus on the depiction of light and shadow in their surrounding environment rather than the fine details. The exhibited works will be divided into two categories, 'plein air' and 'plein air based'. Plein air based is studio work created from on-site studies and accompanied by supporting studies to show how the outdoor work has led to and influenced the studio painting.

*Another Hit of Fresh Air* will be on display March 4, 2013 through the end of the month in the City of Marquette Arts and Culture Center, located in the lower level of the Peter White Public Library. The public is invited to the opening reception that will be held on Thursday, March 7 from 6-8p.m.
