FIREWORKS STATUS AND UPDATES

The annual fireworks display put on by the Marquette Area Fourth of July Committee will once again illuminate the sky in Marquette's Lower Harbor this Independence Day. The fireworks display is planned for the evening of July 4th at dark (approximately 10:40 p.m.). In the event of inclement weather, the fireworks will be held on July 5th.

The Fourth of July Committee and City of Marquette would like to keep residents well informed of the status of the fireworks display throughout the evening of the Fourth. Beginning at 8:00 p.m., the "go/no-go" status will be updated on the City's website at www.mqtcty.org every half hour beginning at 8:00 p.m., until the last update is made at 10:20 p.m., at which time the final status will be posted. Please visit www.mqtcty.org for these frequent status updates.

In the event that the fireworks display is cancelled on the Fourth, the Marquette Area Fourth of July Committee will hold them on the evening of July 5th.
