### **CARP RIVER SANITARY SEWER CROSSINGS PROJECT**

Beginning at 7 a.m. on Tuesday, Sept. 9, Lake Street from Hampton Street to U.S. 41 will be closed to through traffic to allow for the replacement of the sanitary sewer transmission mains that cross the Carp River. This project is scheduled to be substantially complete by mid-October.

The public is advised to use caution when traveling through this area and to be alert for construction and advisory signing. Lake Street will be closed at U.S. 41.

Hebert Construction, Inc. is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
