GREAT LAKES RESTORATION INITIATIVE (GLRI) PROJECT

The City of Marquette in partnership with Superior Watershed is undertaking a stormwater improvement project on the Lakeview Arena Storm Drain. The project is being funded through the Great Lakes Initiative Grant Program and is designed to improve the quality of storm water discharged into Lake Superior. During construction, parking access behind Lakeview Arena will be limited. Please use caution while utilizing the facilities. The project is expected to be completed by Nov. 15.
