ELIGIBLE PERSONAL PROPERTY EXEMPTION DEADLINE APPROACHING

Beginning in 2014 there is an exemption for business owners who have a combined true cash value, within the City of Marquette taxing jurisdiction, of under \$80,000. Business owners who qualify for the “small taxpayer exemption” must file the “Affidavit of Owner of Eligible Personal Property Claiming Exemption from Collection of Taxes” with the City Assessor by **Feb. 10, 2014**. The form can be accessed via the following link www.michigan.gov/documents/treasury/5076_439273_7.pdf, or by coming into the Assessing office to pick one up.

Please remember failure to file the form, if qualified, will result in you receiving a tax bill on property that may have been exempt.
