GREAT LAKES RESTORATION INITIATIVE PROJECT

The City of Marquette in partnership with Superior Watershed Partnership is undertaking a storm water improvement project on the Lakeview Arena storm drain. The project is being funded through the Great Lakes Initiative Grant Program and is designed to improve the quality of storm water discharged into Lake Superior. During construction, parking access behind Lakeview Arena will be closed off. Please use caution while utilizing the facilities. The project is expected to be completed by June 1, 2015. Access will be available for the *Hope Starts Here* run scheduled for May 9, 2015.
