

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**May 15, 2015**

For More Information:  
**Engineering Department / 228-0440**  
**Todd LaJoye, Foreman, Smith Construction / 228-7285**

### **TEMPORARY TRAFFIC DISRUPTIONS PLANNED ALONG WASHINGTON STREET**

Starting Tuesday, May 19 and continuing through Wednesday, May 27, traffic on Washington Street will be periodically stopped between Lincoln Avenue and Seventh Street to allow access for trucks working at the Liberty Way construction site.

The hauling will occur during weekdays between 7 a.m. and 7 p.m. Workers with flags will be posted on Washington Street to direct traffic and stop cars.

Motorists traveling on Washington Street between Lincoln Avenue and Seventh Street are asked to obey workers and be prepared to stop.

Similar work is expected to occur between June 1 and June 20 on the same weekday schedule and at the same times.
