TEMPORARY TRAFFIC DISRUPTIONS EXPECTED ALONG FRONT STREET

On Monday, June 8 from 9 a.m. to 4 p.m., traffic on Front Street between Spring and Washington streets will be shifted east by using traffic cones. This shift is being done to allow room for equipment to work on the Getz's building

No parking will be allowed in front of Getz's during this time.

Motorists traveling on this section of Front Street are asked to use caution.
