PAVEMENT MARKING TO BEGIN NEXT WEEK

Beginning at 7 a.m. on Tuesday, July 14, P.K. Contracting and their subcontractor, Advanced Pavement Marking, will be striping and painting traffic markings throughout the City of Marquette. Work will be coordinated during those times of low traffic volumes, such as mid-morning, mid-afternoon, evening, and during the night. Work will be done without any road closures and the public is urged to use extreme caution and follow all warning signs, lane shifts and other traffic control measures. This project is expected to be complete by the end of August.

The City of Marquette asks you for your patience during this process.
