

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**August 21, 2015**

For More Information:  
**Engineering Department / 228-0440**

### **GRANITE AVENUE STREET DISRUPTIONS**

Beginning at 7 a.m. on Monday, Smith Construction will be removing partial sections of curbing and proceeding with sanitary sewer lateral excavations along Granite Avenue, between Wright and Huntington Streets. This work is the prerequisite for the curbing replacement and milling/overlaying for this street. This work will be done without any road closures and the public is urged to use extreme caution and to follow all warning signs, lane shifts and other traffic control measures. The work is expected to last through that week. Additional announcements will be forthcoming for mill and overlay activities.

The City of Marquette asks you for your patience during this process.
