

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**August 25, 2015**

For More Information:  
**Engineering Department / 228-0440**

### **JEFFERSON STREET DISRUPTIONS AND CLOSURES**

Beginning at 7 a.m. Wednesday, Aug. 26, Smith Construction will be removing partial sections of curbing and proceeding with sanitary sewer lateral excavations along Jefferson Street, from Lincoln Avenue to the west end. This work is the prerequisite for the curbing replacement and milling/overlaying for this street. This work will be done with intermediate road closures and the public is urged to use extreme caution and follow all warning signs, lane shifts, and other traffic control measures. The work is expected to last through this week. Additional announcements will be forthcoming for mill and overlay activities.

The City of Marquette asks you for your patience during this process.
