

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**September 16, 2015**

For More Information:  
**Community Development Department / 225-8380**

### **PUBLIC MEETING SET TO DISCUSS NEW HOSPITAL TRANSPORTATION ACCESS**

The City of Marquette has hired DLZ, Inc., a transportation planning firm, to conduct preliminary planning and analysis for a requested new transportation access point to US-41/M-28 in the City of Marquette to accommodate the construction of a new hospital.

The first step in the process is an opportunity for area property owners, interested parties, and the community to attend a public information meeting that will include an open house and presentation on the planning process. This public information meeting will provide the community with an overview of the study area, project goals, State and National processes, and general timelines for the project planning, as well as provide an opportunity for community input into the project.

The public information meeting will be held from 6 p.m. to 8 p.m. – with a presentation scheduled for 7 p.m. – on Thursday, Sept. 17 at the Citizen's Forum in Lakeview Arena.
