### **WASHINGTON STREET LANE SHIFT TO TAKE PLACE FRIDAY**

On Friday, Nov. 13 from 7:30 a.m. to 6 p.m., eastbound traffic on Washington Street between Lincoln Street and Morgan Street will be shifted north using traffic cones. This shift is being done to allow room for equipment to work on a new building at the Liberty Way development.

The traffic shift may also occur during the same times on Saturday, Nov. 14, depending on weather and construction progress.

Motorists are asked to slow down and proceed through this area with caution.
