VOTE FOR SAULT STE. MARIE PULLAR STADIUM HOCKEYVILLE USA

Lakeview Arena was not selected for the final voting round in Kraft Hockeyville USA. However, the Pullar Stadium in Sault Ste. Marie was selected, and we are encouraging everyone to support this fellow Upper Peninsula community and their ice arena. The Pullar was the only ice arena selected in the state of Michigan and eligible voters may cast their votes for the second voting round starting April 21st. Please visit www.krafthockeyville.com for more information. Kraft Hockeyville USA is an annual event and we are also encouraging everyone to support Marquette's Lakeview Arena next season when the nomination period opens back up in 2016. The winning community will receive \$150,000 for arena upgrades, the chance to host an NHL exhibition game, and the distinction of Hockeyville USA.
