Halloween Spectacle RESCHEDULED!!!!

The Halloween Spectacle has been rescheduled due to rain. The Spectacle is rescheduled for tomorrow November 1, 2015. All times are the same.

Procession: sunset 6:30 pm

We invite all revelers to don a costume and join the procession along with the Spectacle Cast. Starting locations include: Peter White Library, Mattson Harbor Park, Harlow Park and the Rock Street Parking Lot. The procession will continue to the Marquette Commons. Participants in the parade will have a reserved place to sit at the Spectacle.

Spectacle: 7 pm

Celebrate with the creatures of the night and masters of fright in this Spectacle under the moon. This year's theme, Moonlight Mayhem, pays homage to the rare total lunar eclipse witnessed this year. The moon's close proximity to Earth stirred the creatures of the night to a growing unrest that will culminate in utter mayhem on October 31st. The audience will witness ghost and skeletal puppetry, dancing fire, musical performances, zombies from the depths and much more.

For up to date details see the City of Marquette Arts and Culture Center on Facebook.
