

PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release
November 11, 2016

For More Information:
Engineering Department / 228-0440

Subject:
Traffic Disruptions for Soil Boring Activities

Beginning on Monday, November 14, 2016 various areas in the City of Marquette will experience traffic disruptions due to soil boring operations. Tri Media Consultants will be performing soil boring sampling for future street reconstruction projects. The public is advised to use caution when traveling through these areas and be aware of all flagging and traffic control. Work will be continuing throughout the next two weeks at the following dates and locations:

Monday, November 14, 2016
Wright Street from Sugarloaf to Industrial Parkway
Presque Isle Avenue from College Avenue to Fair Avenue

Tuesday, November 15, 2016
Presque Isle Avenue (if necessary)
Wilson Street from Ward Street to M553

Wednesday, November 16, 2016
1100 blocks of Hancock Avenue, Jefferson Street, and Sheridan Avenue
Sherman Street from Hancock Avenue to Jefferson Street

Thursday, November 17, 2017
Fair Avenue from McClellan Avenue west to the City Limits
East Baraga Avenue east of Lakeshore Boulevard

Friday, November 18, 2017
East Baraga Street (if necessary)

Monday, November 21, 2017
Intersection of South Front Street and Spring Street

Be advised that the weather may delay these operations until the next available day.
