MUNICIPAL SERVICE CENTER NO LONGER OPEN TO PUBLIC

The Municipal Service Center relocation project is well under way. As part of the project, many staff and services normally housed at the Municipal Service Center will be temporarily relocated to other City facilities until the new Municipal Service Center is completed.

As of Monday, March 14, the Municipal Service Center located at 850 W. Baraga Avenue will no longer be open to the public. All phone numbers have been transferred to the temporary locations.

Public Works Administrative Services and the City Engineering Department are now located at 401 E. Fair Avenue. The individual divisions of the Public Works Department can be accessed by contacting this office. For questions please call us at 228-0444.

Shipping and receiving will remain at its current location until May 1. It will be moving to 880 W. Baraga Avenue at that time. Please contact Tony Baez at 228-0444 with any questions regarding shipping and receiving.
