PLANNING COMMISSION PUBLIC FORUM SCHEDULED

The City of Marquette Planning Commission has scheduled a public forum for 6 p.m. to 8:30 p.m. on Wednesday, May 25 at the Citizens Forum in Lakeview Arena. After 15 work sessions on the topic since last September, the Planning Commission will host a public forum Wednesday to share their ideas and gather more public input on how to appropriately regulate short-term and other rental properties in the city.

The forum will begin at 6 p.m. in the Citizens Forum room at Lakeview Arena where community members can view displays and discuss the issue with Planning Commission members and City staff. A presentation will begin at 6:30 p.m., followed by time for residents to ask questions and make comments. The planning commission is expected to make final proposals to the Marquette City Commission to amend the current Zoning Ordinance or other codes for rental properties in September or October.
