RE: TRAFFIC SIGNAL REPAIRS, LINCOLN AND WASHINGTON

On Tuesday, 06-07-2016, the Board of Light and Power will be conducting repairs on the traffic signals located at the intersection of Lincoln Avenue and West Washington Street. The repairs are scheduled to begin at 9:30 am and be completed by 12:00 noon. The signals at this intersection will not be operational during this time and temporary stop signs will be put into place and treated as a three way stop. Please, if possible, plan an alternate route of travel as to avoid the intersection during the repair times.

Thank you,
