FIRE HYDRANT FLUSHING IN EAST MARQUETTE

The City of Marquette's Water Department will begin fire hydrant flushing in East Marquette from east of Fourth Street and west of Lakeshore Boulevard. The flushing will begin Aug. 1 and is expected to continue until Aug. 31.

Residents may experience discolored water at times. If this happens, please run water for 5 to 10 minutes or until it is clear. The system will not lose pressure, therefore the water will be safe to use.
