WRIGHT STREET TRAFFIC SHIFT SCHEDULED FOR AUG. 9

On Aug. 9, from 7 a.m. through 6 p.m., the two lanes of westbound traffic on the Wright Street hill west of Ontario Avenue will be restricted to one lane, with the northernmost lane shifted to the center lane.

Depending on progress, the same traffic shift may occur Aug. 10 and 11.

The traffic shifts are necessary for installation of a gas main associated with a natural gas line that is planned to service the Marquette Board of Light & Power.

The public is asked to be aware of the traffic shifts and is asked to proceed with caution through the area.
