

## PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release  
**August 9, 2016**

For More Information:  
**Engineering Department / 228-0440**

### **THIRD STREET BIKE COUNTS SCHEDULED FOR AUG. 10**

On Wednesday, Aug. 10, Coleman Engineering will be providing bike counts along the Third Street corridor from Fair Avenue to Michigan Street. These counts will provide data to City staff on not only the amount of bike traffic that travels along Third Street but will provide an update on any changes in the bike traffic due to the placement of the bike lanes and sharrows. Counts are scheduled for one day.
