CLOSURE SCHEDULED AT SPRING AND FIFTH

Beginning at 7 a.m. on Wednesday, Aug. 17, the intersection of Spring Street and Fifth Street will be closed to allow for the reconstruction of the street and underground utilities. This is the last phase of this project. This phase is scheduled to be substantially complete by the end of August.

Fifth Street will be closed to through traffic. The public can use the adjacent streets such as Fourth or Third Streets to get to their planned destinations.

The public is advised to use caution when traveling through this area and to be alert for construction and advisory signing. Pedestrian access will be maintained as much as possible but the walking public is advised to use alternative routes.

Smith Construction, Inc. is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
