

PUBLIC SERVICE ANNOUNCEMENT

For Immediate Release
August 18, 2016

For More Information:
Engineering Department / 228-0440

SPRING STREET NOW OPEN

Beginning at 3 p.m. on Thursday, Aug. 18, Spring Street from Third Street to Fourth Street will be open to through traffic. In addition Fourth Street will be open to through traffic from Baraga Avenue to Washington Street.

The public is advised to use caution as Spring Street will now become a one way street from Third Street to Fourth Street. One way travel will be westerly on Spring Street from Third to Fourth Street. "Do Not Enter" signs will be posted on Spring Street near Fourth Street and "One Way" directional signs at Spring Street near Third Street.

Parking signs, stalls and pavement markings will be placed when the final course of asphalt is placed.

The public is also advised to use caution when traveling through this area as intermittent restoration work will be ongoing along this street for the next few weeks

The City of Marquette asks you for your patience during the construction process.
