**September 1, 2016**

For More Information:  
**Engineering Department / 228-0440**  
**Mike Debruin, Muza Sheet Metal / 920-202-2221**

### **WASHINGTON STREET TRAFFIC SHIFT DUE TO NEARBY WORK**

On Wednesday, Sept. 7 from 6 a.m. to noon, eastbound traffic on Washington Street between Lincoln Street and Seymour Avenue will be shifted north using traffic cones.

This shift is being done to allow room for equipment to work at the new UPHP building at the Liberty Way development.

Motorists are asked to slow down and proceed through this area with caution.
