LAKESHORE BOULEVARD CLOSURE AND DETOUR

Lakeshore Boulevard will be closed to through traffic starting on Tuesday, Sept. 20 at 6 a.m. and will remain closed until Thursday, Sept. 22 at 6 a.m. This closure will allow for the unloading of the reciprocating internal combustion engines required for the Marquette Board of Light and Power's new "Marquette Energy Center".

The detour route will be by way of Fair Avenue to Presque Isle Avenue and Hawley Street.

The public is asked to be aware of the detour and proceed with caution along the detour route.

Any delays due to shipping of these engines on the Great Lakes may require these dates to be changed.
