PINE STREET CLOSURE

Pine Street will be closed from Lakeshore Boulevard to a point just north of the Superior Dome entrance beginning on Tuesday, Sept. 20 at 6 a.m. and will remain closed until Thursday, Sept. 22 at 6 a.m. This closure will allow for the unloading of the reciprocating internal combustion engines required for the Marquette Board of Light and Power's new "Marquette Energy Center".

Traffic will have access to the Superior Dome off Pine Street.

The public is asked to be aware of the detour and proceed with caution along the detour route.

Any delays due to shipping of these engines on the Great Lakes may require these dates to be changed.
