### **CHRISTMAS TREE DROP-OFF SITES OPEN DEC. 26**

Beginning December 26, 2016 through January 15, 2017 there will be two drop-off sites available for Christmas tree disposal.

Properties paying the “Solid Waste” fee on their monthly bills (green bag users) are eligible to use the Christmas tree drop-off sites. Owners and tenants of properties not paying the fee should contact their regular waste hauler for service. These sites are supported by **fees, not taxes.**

The first site is located at the west end of the Lakeview Arena parking lot. Place the tree inside the orange fencing.

Site two is located at 880 W. Baraga Ave., at the west end of the former Municipal Service Center site. Place the tree inside the orange fencing next to the fuel pump station.

Residents must remove all decorations and stands before disposing of their tree inside the orange fencing.
