Engineering Department / 228-0440
Marquette Board of Light and Power / 228-0311

UPDATE: WRIGHT STREET TRAFFIC DISRUPTIONS

The traffic disruptions due to the moving of three reciprocating internal combustion engines required for the Marquette Board of Light and Power's new "Marquette Energy Center" have been delayed one day and will now occur per the following dates and times:

Wright Street will experience traffic disruptions from Presque Isle Avenue to Ontario Avenue.

Moving for the first engine will begin Friday, Sept. 23 at 10 p.m. and will last until 6 a.m. on Saturday, Sept. 24.

Moving of the second and third engines will begin Saturday, Sept. 24 at 10 p.m. and will last until 6 a.m. on Sunday, Sept. 25.

The public is asked to be aware of the traffic control and flagging personnel, and to follow the temporary detours as moving progresses along Wright Street. Marquette City Police will be assisting with traffic control.

Any delays due to the weather may require these dates to be changed.
