2017 MARQUETTE ART WEEK TO BEGIN JUNE 25

The City of Marquette is proud to present the 3rd Annual Art Week, beginning June 25, and including seven days of special events dedicated to arts and culture. This year's Art Week is even bigger with new signature events, as well as exhibits, artist receptions, concerts, workshops, demonstrations and live performances.

New this year is the Fairy Garden Festival of Marquette, the Fresh Coast Plein Aire Painting Festival with over \$2,000 in prize money sponsored by Travel Marquette, and a special concert by legendary folk musician Peter Yarrow of Peter Paul & Mary, sponsored by the Hiawatha Music Festival. In addition, this year's Art Stroll has expanded to over 30 artist receptions.
