SCRAP TIRE COLLECTION SET FOR AUGUST 2 AT LAKEVIEW ARENA

The City of Marquette has received a 2017 Scrap Tire Cleanup Program Grant from the Michigan Department of Environmental Quality. The City has partnered with the Marquette County Solid Waste Management Authority (MCSWMA) for this collection. Representatives will collect tires and haul them to the landfill for processing.

Community residents are welcome to bring their tires to Lakeview Arena, located at 401 East Fair Avenue, on Wednesday, Aug. 2, from 3 to 7 p.m. Individual residents may bring as many personal tires as they would like. Car and truck tires that are 22.5 inches in diameter or less will be accepted as part of the program. Larger tires, tractor tires and tires on split rims will not be accepted at this site. Please see the MCSWMA website (www.mcswma.com) for more information on disposing of these types of tires.

For any questions, call the MCSWMA at 249-4125 or the City of Marquette Public Works Department at 228-0444.
