REPAIRS STARTING ON CR550 PEDESTRIAN BRIDGE

Beginning at 7 a.m. on Monday, July 31, repairs will begin on the County Road 550 pedestrian bridge that crosses the Dead River. The repairs will be accomplished by allowing half of the pathway to remain open to pedestrian and bike traffic. This project is scheduled to be substantially complete by Sept. 8.

The public is advised to use caution when traveling across the bridge and to be alert for construction/advisory signing and the workers present.

Associated Constructors, LLC is the general contractor for this project.

The City of Marquette asks you for your patience during the construction process.
