Bypass hospital access comment

Hello.

I will not be able to attend the evening meeting concerning the possible changes to give access to the new hospital site but I have a concern that I want to express.

I truly hope that the 7th street intersection will be kept as is. My family and many others were so glad for that connection to Grove street and 7th street and use is constantly. Not having that access off the bypass to both Grove and 7th would be a BIG inconvenience to many and frankly would be a public relations negative for the site of the new hospital. Consideration must be given equally to the needs and convenience of non-hospital traffic. Please don't make it more difficult to move around Marquette than it currently is by eliminating this necessary and appreciated intersection.

Thank you.
