SPECIFICATION/PRICE SHEET
CONCRETE

INTENT

It is the intent of the City of Marquette to contract with a vendor and establish pricing for furnishing CONCRETE.

MATERIALS

Note: any current revisions in MDOT MIX designs shall be substituted and noted where applicable.

CONCRETE, GRADE S2-3500 PSI (35-S)

Shall conform to the current Michigan Department of Transportation 2012 Standard Specifications for Construction, Section 701 for Concrete.

DELIVERY

Job Site Delivery

- Concrete unit prices bid will include delivery to various locations within the City of Marquette. Contractor shall batch each truck at his plant and shall supply the City with a copy of the load ticket showing type of material, batch time, and yardage of load. All costs associated with weighing trucks and supplying load tickets shall be included in the unit price for material.

Additional Charges

- Provide the small load charge and at what yardage it is applied.

PAYMENT

Requests for purchase may only be made by authorized City personnel. To ensure proper and prompt payment, please follow procedures of the purchase order system. A list of authorized City personnel will be provided to the successful bidder.

AWARD OF BID

The City of Marquette reserves the right to accept or reject all bids, to waive irregularities in any bid. Duration of the contract shall be from date of Bid Award until December 31, 2017.

CLARIFICATIONS

Questions regarding ambiguities or the propriety of these specifications shall be addressed, in writing, to the Street Maintenance Supervisor for the City of Marquette at least 3 days prior to the formal bid opening. Such questions will not be entertained after said bid opening.
